 Directives, regulations and acts: 93/42/EEC

Product Description:

Abri-Soft Ultra Light is used as a protective, disposable underpad for e.g. beds and chairs. Suitable for Incontinent users, but also for non-sterile procedures. The underpad has sealed edges for optimum leakage protection. The surface is covered with a soft nonwoven material for enhanced user comfort. The use of disposable underpads reduces the risk of contamination.

Abri-Soft Ultra Light offers light absorbency and is available in different sizes.

Instructions for use/application:

The underpad must be placed on the bed or chair with the blue side down. Ensure that the underpad is fully smoothed out before use.

Storage Instructions:

Store dry, room temperature and no direct sunlight.

Product Disposal Instructions:

To be disposed of with ordinary household waste. If contaminated, dispose of as clinical waste.

Packaging Disposal Instructions:

Can be recycled or incinerated.
